Major Cousins, TCF/SLMPD

Meeting commenced at 6:36 pm at Soulard Station.

Review of June Minutes.

Motion to approve by Commissioner Hoffman, seconded by Commissioner Rick. June 2021 minutes unanimously approved.

TCF Report-

No serious violent crime to report. The biggest issue remains ongoing larcenies primarily around the Chava's, Molly's and Duke's bars and parking lots. Primarily they are looking to target cars with tinted windows, and they are looking for guns.

Catalytic converter theft remains an issue as well (5 in the last month). There is little accountability on those selling/buying the stolen catalytic converters. There is a cover that can be installed to prevent the catalytic converter from being stolen.

Two burglaries occurred in one day (same individuals involved). Suspect was caught but only a can of paint was taken.

TCF will provide a car/officers for the upcoming Bastille parade.

Discussed options to work with TCF on quality-of-life issues in the neighborhood: noise, traffic, etc.

Business Report

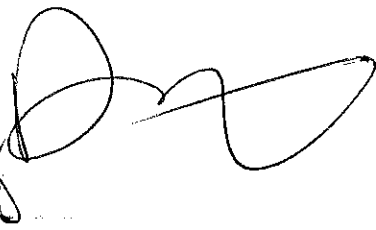

Will follow up to receive second disbursement of tax revenue. Discussed regular expenditures and upcoming work to be completed within the budget for maintaining the substation.

Communication Report

- Posted on website for residential renter. To be posted in Daily Record as well.
- Reviewed sample vapor trail for layout and posting purposes.
- Discussion related to PSA-style videos with TCF officers related to the ongoing issues we are having with larceny, motor vehicle theft, and catalytic converters.

Commissioner Hoffman motion to adjourn, seconded by Commissioner Clendenin. Meeting adjourned at 8:06pm
