#### **Review of April Minutes**

Due to the May Neighborhood Forum, the Board forgot to review and approve minutes from April 2021. Minutes were circulated and reviewed. Motion to approve by Commissioner Hoffman, seconded by Chairman Reynolds. April 2021 minutes unanimously approved.

#### **TCF Report-**

Three armed robberies last weekend; two were attempted carjackings. There was another carjacking in the area (Downtown) and the car ended in Illinois. They were able to track the car/plate and victims identified one suspect for 2 of the incidents who provided information on the other four suspects. Police believe they were responsible for all of them but the victim of one incident couldn't identify the suspects. They are being held for these charges and others.

July:

3 burglaries: One burglary was in Kosciusko in which someone broke into a rental space someone runs a dog training company out of. Nothing was there to be stolen but the office was clearly disturbed. Another burglary involved a victim who reported coming home to his apartment having been broken into and guns stolen despite having recently been released from federal prison.

4 assaults: two domestic disputes, one bar fight incident, one incident outside a restaurant on 8<sup>th</sup> street.

Several larcenies and stolen vehicles. Increase in stolen golf carts.

**Business Report**

We've not received our second disbursement but will file for it soon. Review of updated budget and expenditures to date.

**Old Business**

Traffic calming initiative: meeting is scheduled for 8/17. We have responses from the neighborhood safety survey to review.

Vapor trails from TCF reports: some were posted and received positive response on our Facebook page. We will continue to post.

**New Business****Communication Report**

Discussion regarding the Board's ability to publish crime information as it happens similar to a situation like last weekend when a string of incidents was going on. By the time we were aware, an arrest was being made so it is difficult.

**Motion to adjourn**

Motion to adjourn made by Commissioner Hoffman, seconded by Commissioner Rick. Meeting adjourned at 8:30pm
